

ENGINEERING SERVICES
CONCEPT TO COMMISSIONING

We are a multi discipline, multi location engineering organization with expertise in a number of critical industrial sectors with offices located at Bangalore, Delhi, Egypt and in US. Our Vision is to - Operate with a "Single window - Team" philosophy and grow our engineering endeavors with consistent performance and compliance to highest safety standards.

Maxpro Engineers has unmatched design and engineering expertise in the following industry sectors

- Man-made fibers
- Water, Energy and Power
- Pulp and Paper
- Chemicals and Petrochemicals
- Carbon Black

We provide services from Concept to Commissioning in all the above mentioned areas...

Services

Pre Project Engineering Services:

- Site Selection
- FEL/CAC Estimates
- Feasibility study & DTR/DPR
- Basic Engineering
- Technology Evaluation
- Extended Basic Engineering

Engineering Services:

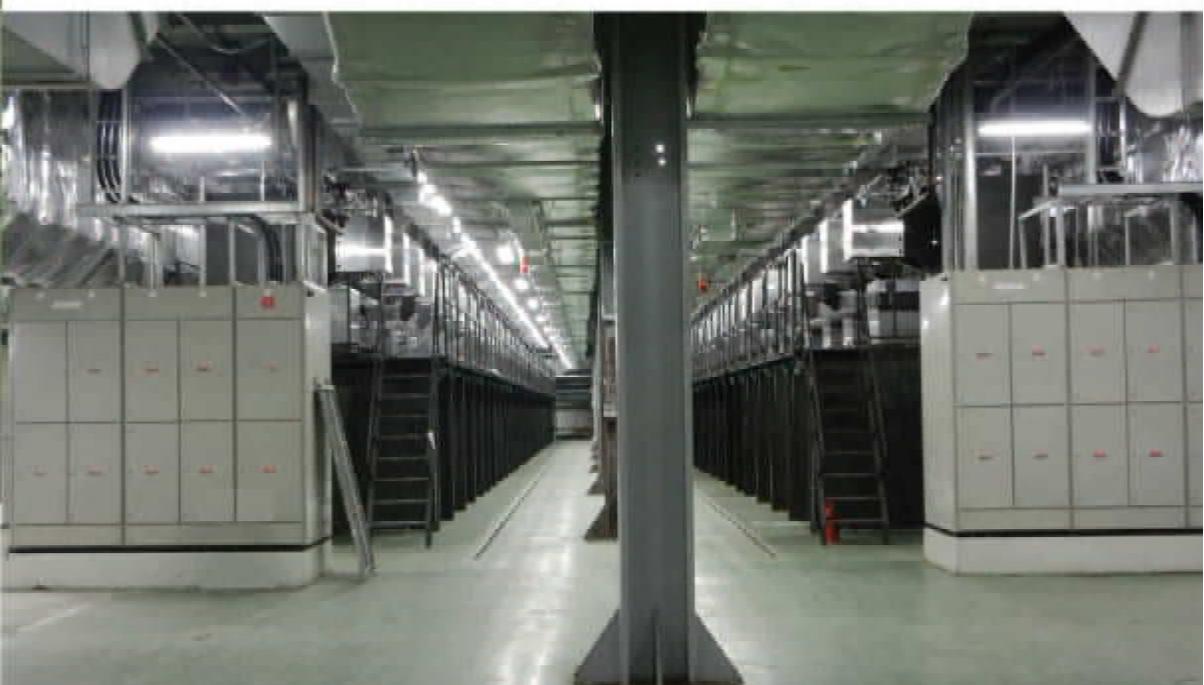

- Detailed engineering of plants
- Project Management , Scheduling and Monitoring

Construction Management and Field Services:

- Dedicated team of well-trained construction and equipment erection.
- Construction and erection assistance services
- Construction/Erection Management
- Pre-commissioning assistance
- Commissioning and start-up assistance
- Trouble shooting
- Turnkey project execution
- Experience in dismantling and re-location of second hand plants
- Inspection and expediting services

Core competencies

- ▶ Technology Transfer
- ▶ Engineering services on EPC/EPCM basis
- ▶ Worldwide project implementation/Execution
- ▶ State of the art facilities with High Value Engineering
- ▶ Global fabrication and procurement facilities
- ▶ Technical deployment of manpower globally
- ▶ Relocation of industrial plants worldwide

Advantages of Maxpro Engineering Services

- ▶ Dynamic team of talented staff
- ▶ Experience in executing variety of projects
- ▶ Single window for all engineering services(concept to commissioning)
- ▶ Plant dismantling and relocation expertise
- ▶ Procurement/inspection/field service/pre commissioning services
- ▶ Services such as site selection/Route survey
- ▶ Engineering with AutoCAD, PDS/ PDMS, Autoplant
- ▶ Adherence to international standards
- ▶ EPC/EPCM capabilities

Plant Design Systems

Maxpro Engineers offers state of the art 3D drafting services to create plant models prior to its actual construction. We perform design reviews at various stages of the engineering design to ensure better operability of the plants by avoiding occurrences of interferences thus enabling generation of highly accurate drawings and material takeoffs

Our Clients

- ▶ Petrofac Engineering Services (India) Pvt Ltd.
- ▶ RECRON (Malaysia) Sdn. Bhd., RIL
- ▶ Grasim Industries Ltd., (Aditya Birla Group)
- ▶ Mansoura for Resins & Chemical Industries Co. SAE, Egypt
- ▶ Ultratech Cement Ltd., (Aditya Birla Group)
- ▶ Valdel Engineers & Constructors Pvt. Ltd.
- ▶ Nucleus General Trading LLC, Saudi Arabia.
- ▶ Momentive Performance Materials (India) Pvt. Ltd.
- ▶ Pt. Envicon Ekatama, Indonesia.
- ▶ Boustead Salcon Water Solutions Pte Ltd., Singapore
- ▶ Paradeep Phosphates Ltd.
- ▶ And many more..
- ▶ Ballarpur Industries Ltd.
- ▶ Indorama Industries Ltd.
- ▶ Design Group Project Consultants (P) Ltd.
- ▶ Aditya Birla Nuvo Ltd. (Indian Rayon)
- ▶ Satnam Global Infra Projects Ltd.

Partnership Venture with Satnam Global Infraprojects Ltd. (SGIL)

SGIL was incorporated in the year 1987 and since then it has grown to a ₹800 million conglomerate. An ISO 9001:2000 accredited company by NQAQSR, SGIL has a highly motivated and experienced team of technocrats overseeing committed workforce of nearly 1250 workmen deployed over 40 project sites in India and abroad. It is one of the leading EPC project organisations today. SGIL has its expertise in the following

- ▶ Industrial and Rural Electrification Projects
- ▶ Site Fabrication & Erection of Piping, Tankages and Structures
- ▶ Heating, Ventilation & Air Conditioning Systems
- ▶ Fabrication and Erection of Process Plants & Equipments
- ▶ Renovation/Modification of Power and Process Plants
- ▶ Dismantling/ Re- location/ Re- erection of old Plants

MAXPRO is an EPCM company having its core business activities in providing engineering solutions, technologies and EPCM installations.

Our Business Associates:

Satnam Global Infraprojects Ltd., India

Mansoura for Resins & Chemical Industries Co. SAE, Egypt

Brightstar Consulting LLC, USA

The Swartz Group, USA

STES Technology Co. Ltd., China

Adapsys Tech, India
